Dear Sirs,

**Re: Land to the Rear of 15 Langstone Road, Havant, PO9 1RA.
Erection of 5 no. 2 Bedroom Flats and associated Garages, Parking, bins and amenity spaces.**

I strongly object to the proposed construction for the following reasons.

1. A Backland development of this sort is totally out of keeping with nature of this area
2. The Living Room and Bedroom Windows of the second story flats will look directly into my garden, completely destroying the privacy and amenities I have enjoyed for the 47 years I have lived at the above address.
3. The tranquillity of the area will also be destroyed, such tranquillity proven by the numerous bats that fly after dark.
4. This development will severely compromise the security I currently enjoy by allowing relatively simply access to its Eastern boundary, jeopardising the safety of a number of properties in Southbrook Close.
5. I am very concerned as to the effect it will have when a possible 10 plus vehicles, from this development, are added to the increasing congestion on Langstone Road

Yours faithfully,

Keith Clayton
