LIDL FOOD STORE

RECEIVED

Dear Sir,

I would like to register my support for  
the above store.

I am a lady [REDACTED]

[REDACTED] so when I heard the possibility of  
a Lidl store on the Island and the likely  
position I was well pleased. If all went to  
plan I would be able to catch a bus from  
West Town to the store and cross over the road  
and get a bus back not a lot of travel and I  
need not leave the Island.

Hayling has, I know other supermarkets but not  
offering the extra goods on offer by Lidl.

I really feel very hopeful this will be accepted.  
I also, without pushing my luck, suggest maybe a  
crossing near by to cross the road.

I hope this planning will go forward.  
Thankyou Lilian A little
