Dear Mrs Pickup

The Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order
2015

Site Address: 32 Wallis Road, Waterlooville, PO7 7RX

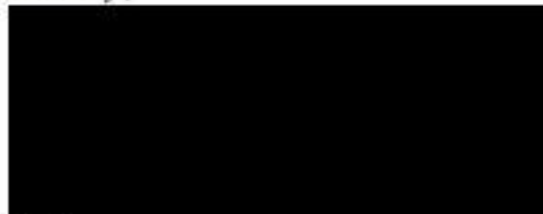

Proposed Development: Two storey and single storey rear extension; new porch;
changes to fenestration and re-modelling to include cladding to all elevations.

Thank you for your letter of 27th April 2017 relating to the amended plans for the
above proposal.

So far as our property is concerned there is no apparent change, but in essence this
amendment seems to us the tiniest concession that could be offered in response to the
objections to the development.

Mr Ridley-Jones's recent communication expresses many of the views held by us and
other objectors, particularly with regard to the work already in full swing over the past
few weeks. Our own views remain unchanged: this proposal is the wrong
development in the wrong place. The phrase "architectural bullying" springs to mind.

Yours faithfully,

John Ingham
