RECEIVED

Planning Officer
Mr. Lewis Oliver

Poll ORB
12.9.2017

Received your letter concerning
the proposed plan for a new light food
store on Hayling Island.

I think it's a great idea if one
of your stores can be built on here.
The elderly on here find it quite
difficult to get off the island
it would be very easy the case that
has been chosen as it's not in the
village part & access seems easy enough
from Manor Road.

It would lessen the amount of cars
going over the bridge as people who
just need to grocery shop would not
go off the island.

I look forward to hearing further
discussion on the application &
hope 2018 will bring some results.

Yours Sincerely,
