re: Proposed LIDL FOOD STORE, Manor Rd Hayling Island

Kindly accept this letter as my support for the above application.

I understand there are well over 100 negative comments regarding this proposal. Having seen the plans etc... I consider this store at its ideal location an absolute necessity - 'go for it!'

With more and more development and further arriving here - we need this viz..

- (a) Qualitative improvement in food shopping
- (b) Reduce congestion roadwise - 'try keeping appointments in Havant with the occasional delays.
- (c) Choice at shop - (existing expensive by comparison)
- (d) Good parking & access. - Brilliant!! Fair prices!
- (e) Lidl supports 'RED TRACTOR' Buy British!
- (f) Create local jobs. In accord with National Policy.

repeat - 'GO FOR IT' yours faithfully.
