RECORDED DELIVERY

Dear Mrs Haywood,

Re: App/18/00672 – Land to the east of Westwood Close

I have already written to Havant Borough Council – by Recorded Delivery – regarding my concerns about the above proposed development but have not yet received a reply. I have comments as follows:

1. I am aghast that this area of ancient pasture is now being considered for development.
2. Many families walk this beautiful meadow for pleasure at the weekend. This pleasure will now be lost.
3. The proposed plan states that the meadow footpath will be redirected. With the wonderful vista spoiled by this development, people will simply walk down Westbourne Avenue to Emsworth rather than walk this rural footpath.

Also the route of the proposed footpath indicates that the developer has had no consideration towards those who might use it.

4. The proposed access to the meadow is via Westwood Close. There appears to have been no consideration given to the plight of these residents by the developer or indeed by Havant Borough Council. This lack of concern towards Westwood Close residents shows a total disregard towards them.

I would suggest that the above means that this development should not take place.

I look forward to receiving your reply both to this and my earlier letter.
