Dear Sir / Madam,

Re: Change of restriction from eight month's to 12 month's occupancy.

I should like to apply for a change of condition's in removing the current eight month's occupation of my home and changing it to the full twelve month's occupancy, based upon the following :- *PLEASE SEE FORMS FOR CERTIFICATE OF USE.*

I am acting for myself and no other persons.

I purchased 14, Fairlight Chalets, PO11 9LQ on 20/02/2012 and have lived there permanently since that date.

Several of the other owners at Fairlight Chalets informed me that Havant Borough Council did not bother them, despite only having eight month residency and that the Council had not worried anyone for the previous seven years and had not enforced the eight month rule.

Since living at number 14, I have undertaken repairs and upgrades to bring the building up to date and enable myself to live there comfortably.

These works include :-

- Electric Central Heating
- Wall Insulation
- Electrical upgrade
- Hot and Cold running water
- Double Glazing throughout
- Parking for two motor vehicles.

I have nowhere else to live, my family all live close by on Hayling Island or in close proximity and I honestly believe that I am not causing any bother or nuisance by living at Fairlight Chalets permanently.

I understand that several of the other properties have been given permission to reside here for 12 months of the year because of the 'Four year rule' and since I have lived here full time' for over "Five years" now, I would ask that you treat my application sympathetically and keep in mind that I have nowhere else to go either now or in the future.

I thank you for your time.
