RE: Planning Application; APP/18/00720
198 London Road, Waterlooville, Hampshire PO7 7AW

Dear Mrs McMurray,

We the residents of numbers 1-5, Farm Lane Close, wish to make it known that this application includes and entrance from Farm Lane Close, into the rear of 198 London Road.

This lane is a private lane of which we own the fence on both sides. We contribute to the repair and maintenance of this fence and employ a gardener, to keep the hedge row cut back and clear, in order to drive through. We also pay public liability cost to insure this lane.

We would all like to make it known to those concerned, that, there is ***NO WAY*** we wil be allowing any resident from London Road or Laburnum Road to make access via Farm Lane Close to there properties.

Yours Sincerely,

No. 1 Farm Lane Close Mr and Mrs Jones…
No. 2 Farm Lane Close Mr and Mrs Cooper
No. 3 Farm Lane Close Mrs Bailey……
No. 4 Farm Lane Close Mr and Mrs Back..
No. 5 Farm Lane Close Mr and Mrs Ewens.
