Dear Sirs

Re: The Wellington Public House Demolition

I acknowledge receipt of your proposal in relation to the above property. I have no objection in principle to the proposals but would obviously be affected by the demolition. My property abuts onto the Wellington House and is a single skinned original building, therefore, proposals on demolition regarding support and other aspects will have to be carefully considered. I appreciate that this may well be a matter for building control rather than planning and perhaps you would ensure that this letter reaches the appropriate officer to deal with this matter.

Yours faithfully,

O'Hara Solicitors
