25th July 2017

Dear Sir,

Application No: 17/00656 – LIDL Supermarket Store

I wish to lodge a strong objection to the proposed plans to build a LIDL supermarket store by Manor Road, Hayling Island at the roundabout on a green field site for the following reasons:-

1. Green field sites on the island are slowly disappearing. These special areas are a magnet for the many people who visit our beautiful island. They are enhanced by the care taken by the council to look after the island keeping it litter free, maintaining the various wild areas and cutting the grass and verges. Locals and visitors can enjoy a freedom to walk, ride and relax in safety.
2. I am objecting to LIDL as I don't believe it will provide any more of a service than the several supermarkets already on the island. The products LIDL sells is very limited.
3. The roads on the island are already very busy and the infrastructure needs addressing. Traffic is often backlogged caused simply by a bicycle. More lorries, vans and cars would add to the chaos. Police cars and ambulances are often caught up in the traffic. Traffic getting on and off the island at the Premier Inn roundabout is already often backlogged. LIDL if passed would add to this chaos.

For all the above reasons I strongly object to the proposal to build a LIDL supermarket on Hayling Island at this site on Manor Road. Would you please make my objections known to the Council's Planning Committee.

Yours faithfully,

PM Collins (Mrs)
