Comment Details

Commenter Type: Consultation modified

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: Regarding the proposed dwellings, I would like the opportunity to provide the following comments:

- 1) The 6' Closed Board fence between 32 Rimington Road and the development site is owned by 32 Rimington Road. This new fence was placed on my land, well inside the original boundary line.
- 2) To maintain my privacy, please can the Conifer Trees that abound my property (North boundary of the development) remain in situ - these trees have nesting bird boxes on their trunks facing my boundary. [REDACTED] placed the nesting boxes on the trees so they mean alot to me.

Thank you for considering my comments.
