Dear Sirs,

Proposed Development, 11 Christopher Way, Emsworth.

I wish to make the following comments re the above works.

1. The loss of double garage facility & developments in the front garden will restrict the ability for off-road parking
2. The proposal to develop a workshop with adjoining shower room may suggest that "dirty" operations will be undertaken in the workshop with possible detrimental local environmental concerns.
3. Christopher Way & its surrounds are residential areas & any attempts for commercial operations should be resisted.

Yours faithfully,
