Dear Sirs

Re: Lidl Site.

I was born and brought up on Hayling Island and have seen many changes, not all for the better. I love Hayling and I am not aware of Lidl but the proposed position is totally unsatisfactory for several reasons. First of all we have very few open spaces left but what is most worrying

is the fact the proposed
site is close to the
roundabout, near the
Primary School and entrance
to Holiday Park. The
traffic already builds up
in that area.

The elderly without cars
would have to take
the bus and would then
have to cross an already
extremely busy road.

Finally, the development would change
the character of the area
which was once rural.

Yours faithfully

(NAPKTON)
