Planning Proposal

Site address: 27 Park Crescent, Emsworth
PO10 7NT

APP/16/00412.

Dear Sir,

Thank you for your letter
re the above Planning Application.

I live next door to this
property and am much concerned
about a drainage problem. In
this section of Park Crescent, the
main drain is shared between
several houses and in the past
we have had blockage problems.

Several years ago - when an
extension was applied for - it was
refused because of the drainage
problem.

Please would you kindly
let me know what the situation
now is with this new application.

Yours faithfully

MRS. A. N. DOVE
