

6 Green Lane

Dear Sir

H. I PO11 OBG

I am writing to support the prospect of a hill store on Hayling Island. They are an excellent shop with a vast amount of products very reasonably priced which is what the public want. Some people may not want them, but I do - what about me and people like me. No one will make them shop there as they can stay in the car, while we enjoy what they offer!!

Yours truly
