Dear Havant Planning

Please find enclosed our completed planning application x3, Location Plan x3 and Block Plan x3, together with the fee of £172.00.

As discussed at the pre-planning application advice meeting with Karen Wooden the proposed carriage barn is planned to be no less than 3 metres from our east boundary (Park Crescent) and no less than 1.2 metres from our south boundary. The intention is that the design from Passmores will be an attractive addition to the site and that the 35 degree pitched roof will allow the use of tiles that match the existing house.

If you have any queries about this application we would appreciate it if you could contact us.
