Friday 3rd June

Ref planning APP/16/00449
Land adjacent to 50 Southfield walk po94hy

We strongly object to this planning application.

- The land is publicly maintained highway
 - it's dangerous for vehicles up and down the road
 - children crossing will be at risk
 - the road is already congested.
 - we don't want to lose our green spaces
 - there is no gain for anyone except the applicants financial gain
- It will not fit in with the other properties
- access for emergency services will be extremely limited.

Please take our views into consideration when making a decision.
Many Thanks

Mr & Mrs Bream
