Ref. APP/16/00252

Dear Mrs Mc Murray,

I am writing to express our concerns regarding the re-application for planning permission on 48, Station Rd, a property close to us.

All our previous objections still stand (in spite of minimal alterations) ref. our letter 23 Feb 2015. The proposed dwelling is far too big for the plot and would intrude on neighbours' light, privacy and outlook. The property is barely a metre from the garden to the east. Domestic noise so close to neighbours would be intrusive. What we would term "garden-grabbing", the proposed "infill".

I fail to see the difference.

We wish to register our
strong opposition to this
outrageous proposal.

Yours sincerely,

HAVANT BOROUGH
COUNCIL
