Dear Sir

STORAGE CONTAINERS ON LAND ADJOINING CROFT LANE, STOKE, HAYLING ISLAND

I am writing to you in connection with the above mentioned site following our correspondence regarding the same last year.

You last wrote to me on 12 July 2002 indicating that you were going to meet with your client before responding to my letter of 10 July. According to our records, I have not received any further correspondence from you. I would therefore be grateful if you could clarify the current position.

In your last letter, you asked whether it would be possible to see the aerial photograph. I would have no objection to this but would require prior notice so that I can make this information available to you.

I would appreciate it if you could respond to this letter at your earliest convenience.

Yours faithfully

Simon Finch
