

3. Design & access statement for 12 the Pallant
 - With no physical alteration, and signage replacing existing – it has no effect on the conservation area.
4. The requested statement
 - The present mix use nature of the site is unattractive to other tenants. As a funeral directors it will have very limited visitor or staffing numbers. See all detail as per the application form. Please note all casket preparation takes place off site.
5. Amended, please see attached.

If you need anything else please let me know, we look forward to the validation of the application.
