Declaration

By signing this I acknowledge that if the intended date of commencement changes, failure to notify the CIL collecting authority before development commences of this date with a new commencement notice will result in the CIL amount being due for payment in full on the date of commencement. I also acknowledge that failure to notify the CIL collecting authority of the intended date of commencement by submitting a commencement notice in advance of this date may result in the CIL collecting authority imposing a surcharge of 20% of the amount of CIL due for payment, up to a maximum of £2,500. I confirm that a copy of this notice has been served on all persons known to me as an owner of the land on which the chargeable development will be built.
For the purpose of CIL, an owner is an owner of a freehold interest in the relevant land or a leasehold interest in the relevant land of 7 years or more from the date planning permission first permits the chargeable development.
