Your query or comment: ref order 2015 I would like to support the proposal for the retention of the new gates on the drive for 1 Sutton Close Cowplain PO8 8QQ. These gates are well made and fit in well with the area and also stop the little dogs escaping when the garden gate is opened. They are not in any way an eye sore, a google earth picture will show what was there before and it is clearly an upgrade.Yours john madison
