Dear Sir

Please find attached detailed window sections for the proposed new windows. I can re-scale the drawings if you require but this will be the same information at a different size, and I am sure you will agree this achieves nothing.

Dale windows are manufactured to a very high standard from good quality slow grown softwood (close grained), glazed with matching beads, and white painted.

I would be grateful if you would confirm that you are happy that this information satisfies Planning Condition 3 to which it relates.

Kind regards

Clint Clements BA (Arch) MRICS MCIOB
