Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I have would like to object to the proposed plan.

I park at the front of my house and with this new plan I will find it very difficult to get out of my driveway as I have a rather large vehicle. Its a very strong blind spot. My son and daughter share a room next the side of the new proposed site and the have a huge window. so looking at the plans this will take away all their natural light. [REDACTED]
