Dear Sir,

I lead in the Hayling Islanders at Planning APP/17/00804 6 Fairlight Chalets Saltrens lane Hayling Island PO11 9LQ.

I own Chalet 9, 8 months occupation only.

In 1989 No 27 was granted all year as Warden but only while Mr Barlow was there. Copy of letter (1)

In 1992 our Association Secretary received letter enclosed (2) When 6 chalets gained permission for permanent occupation. But the Planning Inspector Bristol quite rightly stated that as they are holiday Chalets limited to 8 months further application would be refused. Letter (3) REF APP/X1735/A/04114070 was when Chalet 27 became vacant and was refused on Appeal. A copy of letter April 2004 regarding Chalet 8 (4) Also a letter 6th December 2004 (5) In November 2013 a letter from our Chalet Owners Association

For all the above reasons I strongly hope that Chalet 6 application will be refused. Particularly regarding water meter and only suitable for permant living for 1 person.

Yours faithfully
