Your: APP/17/00351 dated 10 July 2017

My: Letter dated 30 April 2017.

Dear Mrs T Pickup,

Thank you for your update and revised Planning Application for 2, Langstone Road PO9 1RE.

My objections to the application as outlined in My Reference of 30 April remain unchanged.

I would point out, however, that removal of the trees between 1, Langbrook Close and the 'garage' of 2 Langstone Road will give the large dormer window (built without planning permission at the time) a clear and unacceptable view of my back garden.

We all have a right to a lifestyle of our own making, in our case 32 years, and I object to a neighbour whom I have never met, wishing to change mine for his own aggrandizement.

Yours faithfully,

R Ferry
