Dear Sir/Madam

Application No. 16/00021)

I object to this planning application
by Mr. J. Madgwick.

Long Copse Lane is not a suitable
place for a gypsy site.

Hollybank Cottage would be totally
spoilt by the use of the adjacent land
for a gypsy site.

Land north of Long Copse Lane is in
the Green Belt zone, so over the past
fifty years and more, development has
been forbidden except in special needs.

A gypsy site is not in keeping with this
lane. The view of Walderton Down would be
spoilt. Further the view from Walderton Down
would be spoilt.

Going back in history the flats in Long Copse
Lane were restricted to three storeys on the ~~account~~
account of the view from Kingley Vale.

Racton Tower can be seen from this
site. The environmental ^{impact} of a gypsy site

in this very special location
would be a crime

I object to the application.
The environment would be damaged by this
development. Westbourne is already over
burdened with traffic. The roads ^{are}
in a bad state of disrepair, we do not
want or need more development in this ~~an~~
area. Please refuse the application
from Mr. Madgwick.

Yours faithfully

MRS. S. A. OSMOND - SMITH
