Dear Ms McMurray

Southleigh Park House - Submission of hybrid planning application

Further to the submission of the planning application I write to further clarify the name of the applicant for the planning application.

The application is made by the Trustees of the Snell & Wilcox Limited Self Administered Pension Fund: Joseph Wilcox, Roderick Snell, David Lyon, Jill Manson, and Hartley SAS Ltd.

We don't anticipate that the above requires a change to the application form (which already includes these names), but request that this letter is added to the planning register for the purposes of clarity.

Yours sincerely,

Andrew Elliott
