

Community Infrastructure Levy (CIL) - Form 6: Commencement Notice

Please complete the form using block capitals and black ink and send to the Charging Authority (or Collecting Authority if this differs from the Charging Authority).

This notice must be received by the charging/collecting authority prior to commencing your development. Failure to do so may result in you losing the ability to pay the levy in instalments and you may also incur a surcharge.

If you have received an exemption or relief from the levy, failure to submit this form, and for it to be received by the charging/collecting authority, prior to commencing your development could nullify that exemption or relief and make you liable for the levy.

See [Planning Practice Guidance for CIL](#) for guidance on CIL generally, including "what is a Commencement Notice and when it is issued".
