Dear Mrs McMorray

Re planning application 15/01397.

I am writing to object to the granting
of planning permission of the above
application.

Emsworth's charm is that it has independent
shops, restaurants and cafe's.

The opening of a multinational coffee
chain in the centre of town would
change its character and appearance.
I would fear also a major increase
in the amount of litter from cups etc
that would appear.

Yours sincerely
