Dear Mrs Haywood,

All of your emails were found in my spam box today,I am unable to explain why this has happened,all of your previous emails have been delivered to my inbox as expected.

The link you gave me was not helpful as the document was not available to view today so I am not able to see what Southern Water have stated.All I can do today is to try to contact Southern Water to find out if they have not agreed to confirm what had previously been established.

Meanwhile I have no option but to agree to an extension of time to the 14 September 2017 for you to discharge condition four.When you are back in the office please send me a copy of Southern Waters response to your request.

Kind regards Patrick McMahon.
