Dear Mr Oliver

I am writing to you with regard to the proposed new Lidl store for Hayling Island APP/17/00656 as a resident for 47 years of south hayling I am very much in favour of a Lidl store sited on the south of the island for the following reasons:-

1. There is a need for a discount store for pensioners.
2. The store if approved will provide competition for existing stores.
3. The store will reduce traffic to Havant stores.
4. We will be able to cycle the short distance to the proposed site.
5. The quality of fruit and vegetables is excellent at Lidl's
6. The proposed store would provide local employment.

Yours sincerely
