Subject: Proposed Lidl food store Hayling island.

Sent from my iPad application number APP/17/00656.

We would like planning permission granted for Lidl store in Manor road, Hayling, as we would not have to keep going over the bridge to Havant, and then sit in a traffic queue, Trying to get back onto the Island, which can take quite a time during the Summer, or if there are road works.

Lidl prices are much cheaper than the stores on Hayling, This is very important to us [REDACTED]
