Your query or comment:

Reference the planning application on Station Road, for 18 flats shops and parking. Could you tell me if in the planning application it says that parking would be allowed in Hamfield Drive. I do not agree with this as at the moment if work force are in Station Road they park their vehicles in Hamfield Drive which makes it difficult for residents to get into out road.

Can you clarify this also how do we the residents go about having double yellow lines put each side of the entrance. Many thanks

Vera keen
