your ref: App/17/00258.

Dear Sir,

Re your letter regarding
the planning of 3 illuminated
signs to the Asda store
Waterlooville I feel the signs
to the side of Asda
will have an impact on
my flat so strongly object
to this, this has come
up in the past, someone
from the Council did come
out to have a look from
the flat and could see
the effect a bright sign
would have. Thanking you
