Commenter Type: Complainant

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The application for a two pitch, private gypsy and traveller site (including two touring pitches and amenity block) will cause an increased volume of heavy traffic in the area, such as large caravans and associated vehicles for towing. Long Copse Lane is extremely narrow in places and Hollybank Lane is only just recovering from the excess of heavy traffic following the Aubin Wood development therefore, further traffic in the area is unwelcome.

Changing the use of the site will lead to an increase in noise levels

I vehemently object to this planning application.
