Dear Mr Eaves

I wish to object to your proposal to build on the above land for possibly 210 dwellings.

As you are aware there this is on prime green belt land. You are showing a very poor access point onto the site which will cause extra problems for the roads off the Island.

Would it make sense to built new houses near the Hayling bridge at North Hayling which would make access to Havant easier and not cause so much congestion around the Mengham area.

If you have time I would very much like to hear your comments on the above.

Mr P Hickman
25a Brights Lane
Hayling Island
