Dear Sir,

Proposal: Crown Reduce 1 No. Lawson Cypress (T1) by 3m
and perimeter by 0.5m, subject to TPO 1122.

I wish to state my approval to this proposal.

This tree is very close to my window (I estimate about 10metres)
and greatly reduces the daylight into my flat.

I wish this fact to be taken into consideration when making
your decision.

Yours faithfully
