23 Gladys Avenue
Croydon

20/9/16

Dear Sir

I have seen notices for a planning application to build on a piece of land at the top of Gladys Avenue next to number 60.

As a resident of Gladys Avenue I would like you to take note of my support for a bungalow to be built on what has been an eyesore in the avenue for many years. The hedge has been wildly overgrown with a hole where people & vermin could enter.

I see the site has been cleared, which is an improvement but an empty plot with derelict shed will always be a temptation to underusers. It was time it was used for a proper purpose & a small bungalow seems the answer. It cannot continue to lie empty and an eyesore to this nice area. Otherwise the council should make clear what future it anticipates for this piece of land & why.

Yours faithfully
