Dear Sirs,

We are in receipt of your correspondence regarding the amended plan detail removing the Velux window and reverting to the bathroom window positioned in the South elevation as the original plans.

Following a discussion with Mr and Mrs Price on this matter we are very happy that the Velux window that effected our privacy has been removed and hope that the new proposals can be approved by your department.

Thank you for advising us of this change on the plans which we are very happy with.

Yours sincerely

Robin & Linda Davison
