RE: Planning Application Number APP/16/0067

29th June 2016

Dear Sirs,

Please find enclosed additional information relating to the above stated planning application.

The items enclosed are:

1. Evidence of our occupation of the building and our trading as Moss and Co (Direct Accounts) Limited during the period concerned. As you will see the Certificate of Incorporation clearly indicates Moss & Co (Direct Accounts) Limited was incorporated in 2010 but prior to this we were trading as Direct Accounts Limited, which was incorporated in 1993. We can confirm that we have occupied the building since January 2006. The page marked item 5 clearly states that we changed the registered office on the 22nd January 2008 from Station Road, Hayling Island to Creek Road, Hayling Island, but were trading at Creek Road prior to changing the registered office.
2. Item marked number 2 clearly indicates that the office address is 29 Creek Road, Hayling Island, Hampshire, PO11 9QZ.
3. I have also enclosed a set of documents submitted to Companies House during the period of the original name of Moss and Co, which was Direct Accounts Limited and these date back to the 18th December 2000.
4. I have enclosed a set of accounts dated 2008, which show the trading address and the registered office as 29 Creek Road, Hayling Island.
5. Finally, I have enclosed a location plan, as requested.

Yours faithfully,

T F Moss
