In acknowledging receipt of the above application I informed you that the target date for determination of the application was 18 April 2016 and subsequently 9 May 2016 following a post application agreement.

I am writing to advise you that for the following reason the Council is unable to determine your application by that date and I am writing to request agreement to the period of determination being extended under Article 34 of the Town and Country Planning (Development Management Procedure) (England) Order 2015.

Reason: In order for amended plans to be submitted and advertised with respect to window styles A, C, D and H as shown on the schedule of windows, following discussion with the Council's Conservation Consultant.

To extend the period please return, signed and dated, the slip below or alternatively please confirm by email within the next 5 working days. If you wish to discuss this request further, please contact me.

Yours sincerely
