Dear Sirs

Re: Proposal Application for construction of 9 dwellings  
with access from West Street following  
demolition of 178A West Street.

With reference to the above application, I write to ensure you are aware that the houses (nos 170-178 West St) adjoining the above land have a "right of way" giving access to their rear gardens. This rear access is recorded on my property deeds.

Also, I am very concerned that, should planning approval be given, there will be adequate parking allocated to the new houses. Our homes have no garage or allocated parking facilities and it is already exceptionally difficult to park within easy reach of our houses. Additional parking facilities to the rear of our properties would considerably ease our problems.

As you must be aware, the congestion in West Street, particularly from 4pm daily, means that any resident from the new houses would find it extremely difficult to even get in or out of their homes.

I trust these points will be considered.

Yours faithfully

  
(MRS W. MORRALEE)
