FAO:- Mrs. Emma Chisnall; Case Officer

Dear Madam,

No. 1 Fairlea Road Emsworth.

The work has added an upper floor to the original bungalow. The high windows, allow for views down upon my bungalow.

My privacy is of considerable value to me, which I believe undermined by the new windows.

To me the size of the construction and particularly the dormer windows are out of keeping with Fairlea Road.

I hereby inform you of my objection to the planning proposals.

Yours sincerely

Mrs. S Hickman
