Dear Mrs McMurray,

Planning application: APP/15/01397
10-12 High Street, Emsworth
Premier Coffee

I object to this planning application on two grounds:

1. Emsworth already has at least five coffee shops, not to mention public houses which also serve coffee. We do not need any more.
2. Emsworth has a unique character, quite unlike any other part of the borough. Allowing such a development would irrevocably damage that character as well as opening the door to other 'chains,' which would inevitably change the character even more.

Yours sincerely,
