Subject: RE: Comments for Planning Application APP/15/01289

Dear Mrs Ravenscroft

Thank you for your message with respect to the above.

I can confirm that the majority of Havant Borough falls within the wind turbine zone, which means that if an application for a wind turbine is received, the Civil Aviation Authority would need to be notified. This was not applicable in the case of APP/15/01289.

I hope this information clarifies the matter, but if you have any further queries please do not hesitate to contact me.

Kind regards

Mrs Bee Crawford
