I JENNIFER ELIZABETH BANNER
of 18 OAKLEY RD, HAVANT, PO9 4RL

Do solemnly and sincerely declare as follows:

I make this declaration of my own free will, as a past visitor of the tenant Miss Kelly Ann Campbell of the mobile home Croft Lane Hayling Island and would like to confirm that the mobile home that is currently situated at the end of Croft Lane, is a recent replacement for the previous mobile home that has been situated on that site at the end of croft lane for over 20 years. I would like to state that the mobile home was used as a residence continuously by her for the last 12 years prior to May of 2015. It had a water supply and waste into a cesspit that has been in the same place for over 20 years, also an electric supply for lighting etc. It had gas heating for the winter and also for hot water. The mobile home had 3 bedrooms, one of which was used as a study also a lounge, Kitchen and a bathroom, which was very comfortable and she was able to be on site as a groom and security for the horses. The mobile home was put on this site originally in the early 1990's. I would also like to state that the home was connected to the same cesspit it always had, as the top of the cesspit was marked with an old dingy that was placed on the lid, to mark the whereabouts of the pit. I would also like to state that the storage containers placed in front of the mobile home were placed there in early 2001 and only this summer moved from their original site to the position they are in now. I was a regular visitor to her and the land over many years even when Mr Butcher's sons were in residence in the home, so I'm very aware of all the circumstances relating to these details. My Husband was also involved with the original placement of the home and its connection to the cesspit that was dug at the same time, with the electric and water added a little later to which he was also involved in the installation of these services along with Mr Gareth Wright.

I can state that to the best of my knowledge and belief the above statements are true and I make this statutory declaration conscientiously believing the same to be true and by virtue of the Statutory Declarations Act 1835.
