Dear Mrs Haywood,

I have now reviewed your letter and would respond as follows :

We have previously raised our objections to the proposed development, via your portal site, which would appear to have fallen on deaf ears.

The council know that they are going to grant the planning anyway, this is just a formality that you go through.

We have raised many objections to the planning, along with Judy Clark and many other of the local residents who have opposed this development.

I would therefore ask you to refer to our previous objections as they still remain.

Yours sincerely,

[REDACTED]
