For attention of Ms Sheath

Dear Madam

Re: APP/25/00861 At 2A Scratchface Lane, Havant, PO9 3NG

Proposed change of use of outbuilding to hair salon.

Thank you for re-consultation on the above planning application. In response to previous comments dated 6/11/2025, the applicant has submitted a revised drawing (CFA-FULL-01 Proposed Outbuilding) which the Highway Authority have reviewed and have the following comments to make.

The revised plan indicates availability of an additional 2 parking spaces on-site presumably to provide additional provisions for salon users.

The Highway Authority previously requested further information to ensure that the previous quantum (3 parking spaces) could be accessed in practice to ensure maximum utilisation of parking preventing any overspill on the highway network.

The additional 2 spaces, whilst welcomed, reinforce the need for vehicle tracking to ensure that vehicles can access and egress these spaces in a safe and suitable manner. It does not appear that these spaces would be accessible in practice encouraging the likelihood of overspill parking on the wider highway network. It is also recommended that the remaining width for manoeuvring is confirmed.

Direct engagement with the Highway Authority is welcomed to resolve the matters set out within this response. The Highway Authority require further information requested from the applicant before a formal recommendation can be made
