To whom it may concern,

Reference: APP/25/00781 55 residential dwellings at 1 Sea Front, Hayling Island, PO11 0AG

Thank you for consulting the County Council as Local Education Authority on the above planning application.

The proposed development of 55 eligible dwellings would usually be expected to generate a total of 17 additional primary age children and 12 additional secondary age pupils. This is based on a rounded figure of 0.3 primary age children per new dwelling and 0.21 secondary age children per dwelling which was derived by conducting demographic surveys of developments that have been completed within Hampshire and calculating the average number of primary age children on those developments.

The development site is served by Mengham Infant School, Mengham Junior School and The Hayling College. Mengham Infant School is forecast to have capacity. Mengham Junior School is forecast to have capacity. The Hayling College is forecast to have capacity. Therefore I will not be seeking a contribution towards education provision.

If you have any queries concerning the above, or wish to discuss this matter, please do not hesitate to contact me via email at: strategicplanningunit@hants.gov.uk.

Yours faithfully,

[redacted]

Francesca Godden
On behalf of the Director of Children's Services
